

**Baldor•Dodge HXT: Maximum Starting Pressures for Hydroil Motors**

C.O. Engineering - Gearing  
October 26, 2015

Hydraulic fluid pressure into Baldor•Dodge Hydroil hydraulic motors should not exceed the maximum pressure values shown in Table 1 below.

**Table 1: Maximum Hydraulic Motor Pressures Available for Starting**

<b>Double Reduction</b>	<b>Single Reduction</b>	<b>Maximum Hydraulic Pressure</b>
---	HXT105	2500 psi
---	HXT205	
HXT315B	HXT305A	
HXT415B, 425B	HXT405A	
HXT515C, 525C	HXT505A	
HXT615A, 625A	---	
HXT715A, 725A	---	
HXT115A, 125A	---	2000 psi
HXT215A, 225A	---	
HXT325B	---
